Request No.	
61	Please provide the following information:  a. Your utility's 2006 total retail sales, defined as the kWh of electricity sold to all retail customers of your utility, or any distribution utilities to their retail customers.  b. The total kWh of electricity for 2006 provided to Minnesota retail customers (either directly or through distribution utilities).  c. A list of existing and known planned renewable facilities with the following information: 1. whether the facility is owned or generation obtained through a PPA and the type of renewable energy; 2. nameplate and accredited capacity; 3. 2006 generation in kWh; and 4. If the facility is not yet on-line, an expected in-service date.
