

MINNESOTA POWER & LIGHT COMPANY
ELECTRIC RATE BOOK - VOLUME I

 SECTION V PAGE NO. 61
 REVISION Original
RIDER FOR STANDBY & SUPPLEMENTARY SERVICE
APPLICATION

To any General Service or Large Light and Power Service schedule, in an amount not to exceed 500 kW of Reserved Capacity, supplied through one meter to a customer having another source of power available - not held solely for emergency use - for which Company's service may be substituted either directly or indirectly.

Service will be supplied to equipment which may be concurrently operated from another source only if protective devices specified by Company are provided, such devices to be installed and maintained by Company at Customer's expense.

Service is available only at points where Company has capacity in facilities adequate for the service desired.

The terms of the schedule to which this Rider is attached will be modified only as provided herein.

MINIMUM CHARGE (Monthly)

The amount computed under the applicable schedule for a Demand equal to the currently effective Reserved Capacity and a consumption of 100 kWh per kW of Reserved Capacity, subject to any applicable Adjustments, as provided in such schedule.

RESERVED CAPACITY

Reserved Capacity is Demand as defined under the applicable schedule but not less than the greater of the following:

- (a) The maximum kW previously registered during the term of this agreement or renewal thereof.
- (b) The minimum demand specified in the service agreement of which this Rider is a part.
- (c) The minimum kW specified in the applicable schedule but not less than 25 kW.

If Customer suspends taking service and within 12 months thereafter resumes taking service at the same premises, the kW of Reserved Capacity shall be not less than that which would have been effective had no such suspension occurred.

Company may require customer to furnish and install an approved load limiting device which shall be set and sealed by Company so that the Customer's use of service will not exceed the number of kilowatts contracted for by Customer.
