WHO WE ARE

A network of **community composters and movement allies** (including 370+ **Community Composter Coalition** organizational members) committed to keeping composting and its benefits local

VIDEO RECAP OF 2024 FORUM

CONTENT

- 1 Forum day
- + Networking & connection events

FOCUS

Cultivating a sustainable community composting movement through **connection, knowledge-sharing, and collective problem-solving**

OUR IMPACT

Community composters:

- Create jobs at a rate

 **3x** that of landfilling &
 **6x** that of incineration

-  **71%** provide community engagement opportunities

- Have staffs that are on average

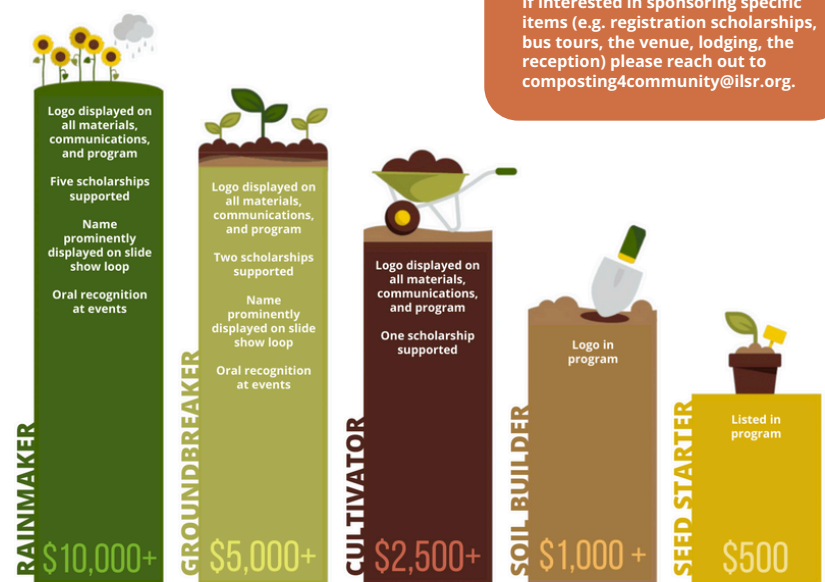

33%  vs the conventional waste industry: **83%**  male

- Fill service gaps in chronically under-resourced communities

- And **much, much more!**

SPONSORSHIP TIERS

Funding allows us to prioritize equitable access to forum events. Last year, 60 of the over 160 attendees received scholarships in order to attend.

If interested in sponsoring specific items (e.g. registration scholarships, bus tours, the venue, lodging, the reception) please reach out to composting4community@ilsr.org.

Contact composting4community@ilsr.org for more info.
