

Winter 2017

RECYCLE TODAY

WASTE & RECYCLING NEWSLETTER FOR FLORENCE/FIRESTONE-WILLOWBROOK • 800-299-4898

Provided by Consolidated Disposal Service, a Republic Services Company

Recycle Your Holiday Tree!

As you begin to take down your holiday decorations, plan to recycle your tree. Remove all lights, ornaments, tinsel, garland, and the stand. Then place your bare holiday tree at the curb on your regular collection day between December 27, 2016, and January 13, 2017. Your tree will be recycled into compost, mulch, or ground cover. Trees taller than 5 feet should be cut into lengths of 5 feet or less.

Flocked trees will not be accepted in the tree recycling program. The chemicals in the fake snow used to flock trees cannot be mixed with mulch or compost. Cut up flocked trees and dispose of them in your black trash cart.

If you are disposing of a wreath, please remove all ornaments, hooks, tinsel, staples, and nails before placing the wreath into your green yard waste cart.

Other holiday waste, such as nonmetallic wrapping paper, holiday cards, gift boxes, cardboard boxes,

tissue paper, and gift tags, can be recycled in your blue recycling cart. Remember, ribbons and bows are not recyclable. Reuse them or place them into your black trash cart.

¡Recicle Su Arbolito de Navidad!

Cuando empiece a quitar sus decoraciones de los días festivos, planeé reciclar su arbolito natural. Quite todas las luces, adornos, listones, guirnaldas y el soporte del arbolito. A partir del 27 de diciembre del 2016 y hasta el 13 de enero del 2017 usted puede sacar su arbolito navideño y dejarlo en la acera en su día regular de recolección. Su arbolito será reciclado como fertilizante, abono o cobertura de suelo. Arbolitos que midan más de 5 pies deberán ser cortados en pedazos de menos de 5 pies.

El programa de reciclaje de arbolitos no acepta arbolitos con nieve artificial. Los químicos que se usan en esos arbolitos no pueden ser mezclados con el abono y los fertilizantes. Corte su arbolito con nieve artificial en pedazos y deséchelo en su bote negro de la basura.

Si necesita desechar una corona natural de Navidad, por favor quítele todos los adornos, ganchos, listones, grapas y clavos antes de echarla en el carrito verde para desechos del jardín.

Free Annual Clean-Up Event Coming This Spring

To help keep our community clean, Consolidated Disposal Service, a Republic Services company, will provide a FREE Annual Curbside Clean-Up Event in each collection area for bulky items, electronic waste (E-Waste), and bundled or bagged yard waste. All clean-ups are scheduled on Saturdays. Residents must place items at curbside after 6 p.m. on the night before their designated clean-up day. No collections will be made from private property.

The events are scheduled based on your regular trash collection day. Each collection day will have only one designated Saturday for the clean-up event.

Be sure to watch for more details in our spring newsletter. Between now and then, begin looking around your house or garage for items that you will want to dispose of.

basura. Cada día de colecta tendrá solamente un sábado asignado para participar en este evento de limpieza.

Esté pendiente de más información en nuestro boletín de la primavera. Desde hoy empiece a buscar en su hogar o en su garaje artículos que desee desechar para aprovechar este evento.

Mark Your Calendar for the Spring Clean-Up

If your collection day is:	Your clean-up day will be:
Monday	Saturday, March 25
Tuesday	Saturday, April 1
Wednesday	Saturday, April 8
Thursday	Saturday, April 22
Friday	Saturday, April 29

Marque Su Calendario para el Evento de Limpieza de Primavera

Si su día de colecta es:	Su día de limpieza será:
Lunes	Sábado 25 de marzo
Martes	Sábado 1ero. de abril
Miércoles	Sábado 8 de abril
Jueves	Sábado 22 de abril
Viernes	Sábado 29 de abril

Eventos anuales gratuitos de limpieza llegan en la primavera

Para ayudar a mantener nuestra comunidad limpia, Consolidated Disposal Service, una compañía de Republic Services, estará ofreciendo su evento anual GRATUITO de limpieza a domicilio en cada área de recolección para recoger artículos grandes, aparatos electrónicos (E-Waste) y desechos del jardín amarrados o en bolsas. Todos los eventos serán programadas los sábados. Los residentes deberán de sacar los artículos a la acera antes de las 6 a.m. el día que le recogen la basura, pero no antes de las 6 p.m. del día anterior. No se hará ninguna colecta de las propiedades privadas.

Los eventos son programados de acuerdo al día en que le recogen su

Otra clase de basura, tal como papel para envolver (que no sea metálico), cajas de regalos que sean de cartón, papel de china, etiquetas para regalos y tarjetas navideñas pueden

ser desechados en el carrito azul para el reciclaje. Recuerde que los listones y los moños no son reciclables. Vuévalos a usar o tírelos en el bote negro de la basura general.

Garbage Disposal Districts

A Garbage Disposal District (GDD) is an area within the unincorporated County of Los Angeles where an allocated level of trash, recycling, and green waste collection and other services are provided to residents and businesses by a private waste hauler who contracts with the County of Los Angeles. All property owners in a GDD are enrolled for services and assessed on their annual property tax bill.

Contracted Waste Hauler

In your GDD, Consolidated Disposal Service, a Republic Services company, is the contracted waste hauler. The Department of Public Works, Environmental Programs Division, manages the contract.

Allocated Level and Cost of Service

The service level and the amount charged is based on the land use codes assigned to the property by the County of Los Angeles Office of the Assessor. See the table accompanying this article for a list of property types and the allocated trash service.

Assigned Land Uses

The Assessor assigns each property a land use code. The use code is available on the Assessor's website: www.portal.assessor.lacounty.gov. Each property will have only one use code. If the use code appears incorrect, you may contact Public Works who will assist you in contacting the Assessor to verify the use code.

Houses/Apartments/Condominiums

- Every single-family home and each unit of a multifamily apartment or condo is entitled to ½ cubic yard (approximately 100 gallons) of collection service, once a week, consisting of one trash, one recycling, and one green waste cart. Additional carts are available for free or at a small one-time charge.
- Multifamily property owners may choose between one set of plastic carts for each unit or larger metal dumpsters in equivalent capacity (limited to available sizes).
- Multifamily buildings with 5 or more units are entitled to receive collection twice a week.

Businesses

- Businesses may use metal dumpsters or sets of 96-gallon carts in equivalent capacity (limited to available sizes).
- Additional trash containers beyond the allotted specified service may be requested but must be paid for directly to the waste hauler.
- Businesses receive collection service once a week except:
 - Properties with 2.5 cubic yards or more of service are entitled to receive collection service twice a week.
 - Properties classified by the Assessor as commercial food establishments are entitled to daily collection service of waste, excluding Sundays and holidays.
- If there are multiple businesses on one property, the specific business type may be different from the assigned property land use code (i.e., a restaurant in a shopping center) and the property owner/property management company should contact Public Works to verify the allocated level of trash service.
- If additional collection service (larger capacity or increased frequency) is needed, please contact our Customer Service Department at 800-299-4898. Please be aware that there will be a monthly service charge for additional service beyond the allocated service assessment paid for on the property tax bill.

Refunds

No refunds are available for the charges collected on the property tax bill for the property owner's choice of haulers or non-use of the allocated GDD services.

Questions?

If you have questions about your trash and recycling collection services, please contact our Customer Service Department at 800-299-4898.

For other concerns, including general environmental questions, contact the County of Los Angeles Department of Public Works at 888-CLEAN-LA.

into your trash cart and electronics don't belong there. Please place bulky waste and electronics at the curb on your regular trash day before 6 a.m. and no earlier than 6 p.m. the day before. Consolidated Disposal Service, a Republic Services company, will pick up those items at no extra charge! To help us serve you better, please call Consolidated at 800-299-4898 the day before pickup to let us know that you will be placing bulky waste and/or electronics at the curb.

¡Al día con lo nuevo, afuera lo viejo!

Después de los días festivos es posible que cuente con muebles viejos, enseres, aparatos electrónicos y otros artículos grandes que desee desechar. Los artículos grandes no caben en el bote de la basura y los aparatos electrónicos nunca deben de echarse ahí. ¡Por favor coloque sus artículos voluminosos y electrodomésticos en la acera en su día regular de recolección se recogerán gratuitamente! Por favor saque los artículos a la acera antes de las 6 a.m. el día que le recogen la basura, pero no antes de las 6 p.m. del día anterior. Ayúdenos a servirle mejor, por favor llame al Depto. de Servicio al Cliente de Consolidated Disposal Service, una compañía de Republic Services, al 800-299-4898 y déjenos saber que va a dejar artículos grandes y/o aparatos electrodomésticos en la acera.

Did You Know?

You can recycle your household batteries by taking them to the Huntington Park Library, located at 6518 Miles Ave., 90255, or to a designated County Library. For more information, visit CleanLA.com.

¿Sabía usted?

Usted puede reciclar todas las baterías que usa en el hogar llevándolas a la biblioteca de Huntington Park, ubicada en 6518 Miles Ave., 90255 o a una biblioteca del condado asignada. Para más información al respecto visite CleanLA.com.

Law Mandates Organics Recycling

Organic waste comprises 40% of the material Californians landfill annually. A new state law (AB 1826) phases in a requirement that businesses and apartment complexes which generate organic waste must arrange for organic waste recycling. Already affected are those that generate 8 or more cubic yards of organic waste per week. As of January 1, 2017, those generating 4 or more cubic yards of organic waste per week will also be required to recycle organics. Finally, as of January 1, 2019, all businesses and apartment complexes that generate 4 or more cubic yards of solid waste per week will be required to recycle organics.

Organic waste includes food waste, food-soiled paper, landscape and pruning waste, and nonhazardous wood waste. However, apartment complexes and other multi-family complexes will only be required to have a landscape and pruning waste recycling program and will not be required to provide food waste or food-soiled paper recycling.

For a complete list of frequently asked questions about AB 1826, please visit CalRecycle.ca.gov/Recycle/Commercial/Organics.

Consolidated Disposal Service, a Republic Services company, is here to help you meet the new, mandatory commercial organics requirements. Call Customer Service at 800-299-4898 for more information.

2019, todos los negocios y edificios de departamentos que generen 4 o más yardas cúbicas de basura a la semana deberán reciclar los desechos orgánicos.

Desechos orgánicos incluyen sobras de comida, papeles con residuos de comida, desechos de poda y del jardín y residuos de madera no

tóxicos. Sin embargo, los edificios de departamentos y de multi-familiares solo tendrán que tener un programa de reciclaje para los desechos de poda y del jardín y no tendrán que reciclar los desechos de alimentos o papeles con residuos de comida.

Obtenga la lista completa de preguntas comunes acerca de la ley AB 1826 entrando a CalRecycle.ca.gov/Recycle/Commercial/Organics.

Consolidated Disposal Service, una compañía de Republic Services, está a sus órdenes para ayudarle a cumplir con los requisitos de esta nueva ley. Llame al Depto. de Servicio al Cliente al 800-299-4898 para obtener más información.

Countywide Household Hazardous Waste and Electronic Waste Collection Events

The County of Los Angeles Department of Public Works conducts weekly Household Hazardous Waste and Electronic Waste (HHW/E-Waste) Collection events throughout the County. These events are free and convenient ways for all residents of Los Angeles County to properly dispose of unwanted HHW/E-Waste, such as paint, solvents, expired medications, chemicals, TVs, computers, car batteries, household batteries, fluorescent lights, and other similar items. Additionally, through different partnerships, the County has increased convenient collection opportunities by making it possible for all of its residents to utilize permanent collection centers strategically located throughout the County.

County HHW/E-Waste Collection events will be held at these nearby locations:

- Saturday, January 14, 2017, 9 a.m. to 3 p.m., John Anson Ford Park, swimming pool parking lot, 7800 block of Scout Ave., Bell Gardens 90201
- Saturday, February 18, 2017, 9 a.m. to 3 p.m., Lugo Park, 7810 Otis St., Cudahy 90201

For more information on additional events in your area, as well as details on the permanent collection centers, please visit CleanLA.com or call 888-CLEAN-LA.

Eventos alrededor del Condado para la Colección de Materiales Tóxicos del Hogar y de Aparatos Electrónicos

El Departamento de Obras Públicas del Condado de Los Ángeles semanalmente conduce alrededor del condado eventos para la colección de materiales tóxicos del hogar (HHW) y aparatos electrónicos (E-Waste). Estos eventos son gratis y son una manera muy conveniente para que los residentes desechen los materiales tóxicos y los aparatos electrónicos que ya no necesitan, tales como pintura, solventes, medicinas caducadas, sustancias químicas, televisiones, computadoras, baterías de automóvil y del hogar, focos fluorescentes y artículos similares. Además, a través de diferentes asociaciones, el condado ha hecho posible para todos sus residentes utilizar los centros de colecta permanentes.

Los eventos de recolección se llevarán a cabo en estos lugares cercanos:

- Sábado 14 de enero 2017, de 9 a.m. a 3 p.m., en el Parque John Anson Ford, en el estacionamiento de la alberca, 7800 block of Scout Ave., Bell Gardens 90201
- Sábado 18 de febrero 2017, de 9 a.m. a 3 p.m., en el Parque Lugo, 7810 Otis St., Cudahy 90201

Para más información sobre los eventos adicionales en su área, así como detalles de los centros de colección permanentes visite CleanLA.com o llamando al 888-CLEAN-LA.

ATTENTION, ATTENTION: You are receiving this newsletter because you are paying for trash collection services from Consolidated Disposal Service, a Republic Services company. Call 888-Clean-LA for more information.
